keystage stage kits

A single level portable stage kit, Keystage is created from light, easy to handle modular frames and stage decks. Equipment quickly configures into a variety of flat stage formats and stores away compactly on a wheeled trolley.

A simple, cost effective choice of modular stage kits, available in two standard heights (300mm and 500mm). Keystage simply creates a strong stage platform for many purposes including assemblies, exhibitions, performances, bands, Zumba and dance instruction, presentations, conference podia and catwalk shows.

- Kits available from stock
- Constructs in multiple layouts
- Compact wheeled storage
- Light to handle and simple to build
- Unit size 750mm x 750mm
- Guaranteed for 5 years

COMPACT STORAGE AND SIMPLE ASSEMBLY

A storage trolley will hold up to 24 birch units or 18 carpeted units. The trolley footprint is 1m x 750mm and will fit through a standard doorway.

Frames simply slot together and a stage can be assembled by one person in minutes.

Frames link together and are secured in place by tieplates.

CARPET COLOURS

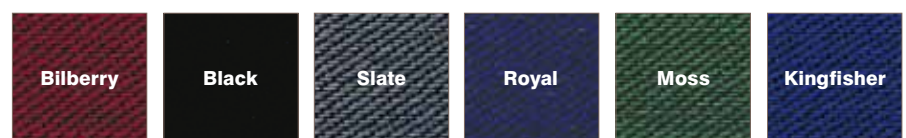

Standard decks are clear lacquered birch, or you can choose a carpet finish. A choice of carpeting colours are available to coordinate with existing decor.

SKIRTING COLOURS

Skirting in a range of colours is available to provide a coordinated finish to the stage.

The colours illustrated are the most popular, but a full range is available. Please contact the sales team for a full swatch card.

Every effort has been made to ensure a true colour likeness but this may vary according to screen and printer settings. Please contact us to request a swatch sample.

mission statement
